A summer journey through Romans: Today in the church fellowship hall we will have our third class on this key book of the Bible. Today, our study will have us looking at the latter part of chapter two and the first part of chapter three.

One Sunday Service in August: By now you have heard of the one 9am Sunday worship service in August. Our tentative plan is to have the following “congregational” activities after the Sunday Service. On August 4th a missionary speaker Tek-lu Ke-tema from Ethiopia who is currently vicaring at Salem Lutheran Church in Affton will speak on outreach in Ethiopia. On August 11th, the plan is to meet together for an intergenerational Sunday School, and then make cards for folks in our church and community. On Sunday, August 18th, we are looking at a congregational service project in the parish hall with a group titled “Rise against Hunger”. This service project would involve packaging meals that would serve up to 50 children for a year in parts of the world where hunger is a great problem. There is a fund raising component to this project...watch the bulletin to see if this or another project for the community/world will happen on this day. Finally, on August 28th a 10:30am fellowship brunch is being planned.

Miraculous Mission VBS had a successful week at St. Paul's. We ministered and shared the Gospel with approximately 30 children ranging from preschool

age to sixth grade, and had about 20 helpers from both our church and other congregations in the area. We wrapped up the week Friday evening with a closing program in Metter Park and enjoyed the beautiful weather and God's creation surrounding us. I would like to thank those that helped in various ways, be it time, talents, or treasures to help make this a successful week. ---Carleigh Ottwell, VBS Director
