

# The Epistle July 2022

***27And he answered, "You shall love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbor as yourself." 28And he said to him, "You have answered correctly; do this, and you will live." 29But he, desiring to justify himself, said to Jesus, "And who is my neighbor?" Luke 10:27-29***

Brothers and Sisters in Christ,

The Biblical expert here at the beginning of the Good Samaritan story thought he had God's law all figured out. However, as he expounded on His initial statement to love God with His whole being and to love His neighbor in a similar way, he tried to put limitations on those expectations. When he inquires as to "Who is my neighbor?" he really is asking, "Who is not my neighbor?" The Biblical expert was mirroring what humanity does with God's law. It looks for loopholes or a way to diminish its impact. Yet the truth is we are to love all people, including our enemies (Luke 6:27). When God sent forth Jesus, He knew that we diminish godly expectations and as a result we diminish those people around us. Thank goodness Jesus came to be our Good Samaritan. He knows everything about you, and still He comes to bandage you up with His healing forgiveness and righteousness. We diminish, but God expands. What a wondrous love is this.

Have a Blessed July,

Pastor

### Something from Sam...

This past month has been filled with energy and excitement! Between getting settled in Columbia and here at St. Paul's, to the action-packed days of Vacation Bible School, to looking ahead and setting goals for the youth program in the year to come, June has been a busy and joy-filled month! As I begin my work here with you all, I can't help but remember the words St. Paul wrote in Philippians 1:3-5 (CSB):  
*"I give thanks to my God for every remembrance of you, always praying with joy for all of you in my every prayer, because of your partnership in the Gospel from the first day."*

Together in our partnership in the Gospel, we work toward the goal that Paul describes in the following verses:  
*"And I pray this: that your love will keep on growing in knowledge and every kind of discernment" (v. 9).* Throughout all of our lives, from cradle to grave, the Holy Spirit is at work to teach us and help us grow in love, knowledge, and wisdom. We are never too old or too young to be students of the master teacher, Jesus!

## Making a Commitment to Save

***"Precious treasure and oil are in a wise man's swelling, but a foolish man devours it" -Proverbs 21:20***

Perhaps you had parents who encouraged you to save your money. Now, as an adult, you realize how wise they were. Scripture also encourages you to save. The verse printed above points out that only foolish people save nothing for the future. In Proverbs 6:6-8 we read, *"Go to the ant, O sluggard; consider her ways, and be wise. Without having any chief, officer, or ruler, she prepares her bread in summer and gathers her food in harvest."* Even the ant saves. Saving money rather than borrowing makes economic sense, because you are earning money on your savings rather than paying it out on interest charges.

In our lifetime, you will save money for many purposes. Saving may help you fund education for yourself and/or your family and help you pay for emergencies. Saving may keep you from being a burden to others. Saving may enable you to give to those in need. John Wesley, the founder of Methodism, wrote, "Christians should make as much as they can, save as much as they can, and give as much as they can."

So how do you save as much as you can? In order to save, you need to make a commitment to save, set saving goals, and develop discipline to make it happen. Start saving today; you can't afford to procrastinate! It also makes good sense to save money systematically through regular automatic deposits into savings accounts. The systematic approach keeps you committed to saving. Examples of systematic savings are retirement accounts at work or accounts you set up on your own. Saving money in retirement accounts is likely to provide you with tax advantages as well.

Don't allow yourself to say that you don't have enough money to save. It is very important to put money aside for your future regardless of the amount. As Solomon wrote, *"...whoever gathers little by little will increase it" (Proverbs 13:11)*

**Application:** After giving God His share of my income, I will set goals that motivate and encourage me to save. I commit to save \$\_\_\_\_\_ per week. If my work offers a 401 (k) plan, I will save \_\_\_\_\_% of my income which is \$\_\_\_\_\_ per pay period.

**Prayer:** Dear good and gracious Heavenly Father, I pray that You will grant me the discipline and commitment I need to develop a savings program. Amen.

## LWML/LADIES LEAGUE

## JULY 2022

We opened our May meeting with a devotion and prayer led by Nancy R. Our guest speakers were Michael Ewert and Daniel Thoele. Michael gave a brief description of the history of philosophy (his major in college) and how it relates to our Christian life. Daniel played the piano, led us in singing some hymns, and explained about the origination of some of the songs. It was great to learn more about our seminary students. We are truly blessed to have them serve here at St. Paul's!

We are continuing our "What's Your 80" (anniversary of the LWML) by sending cards to congregation members who are over 80, gathering masks for Unity Lutheran School (have been delivered), and quilts and kits for Lutheran World Relief. Watch future bulletins and newsletters for information on how you can help us with a personal care kit service project in honor of the anniversary!

The July meeting will take place on July 7<sup>th</sup> in the Fellowship Hall beginning with lunch (bring your own lunch) at 11:30 a.m. Nancy R. and Kathy S. will be our hostesses. Rev. Ray and Melissa Holman will speak to us about Christ our Savior Lutheran High School where they both teach. You are welcome to join us at any meeting! Call Wanda for more information at 618-281-4691.

## OOPS for July 2022 Outreach Opportunity Praying Suggestion

### An Enticing OOPS from Martin Luther

Mention the name "Martin Luther" to a bunch of long-time Lutheran Christians and the "Here I Stand" picture of him boldly confessing his faith in the Word of God quickly comes to mind. But, he was very much an outreaching "man in motion" in his daily life. In fact, he literally caught his "death of a cold" in February of 1546 while reaching out to a Christian couple who were having serious marriage problems. He once wrote, *"We have no other reason for living on earth than to be of help to others. If this were not the case, it would be best for God to kill us and let us die as soon as we are baptized and have begun to believe. But He permits us to live here in order that we may bring others to faith, just as He brought us. But as long as we are on earth, we must live in hope. God gives no one His grace so that it may lie down and be of no benefit, but so that it would give a good return, and through knowledge and outward public demonstration entice everyone to God."*

So, **how are you right now, through knowledge and public demonstration "enticing" others to God?** That's the question the Word of God once moved Martin Luther to ask and this month moves your Board of Christian Outreach to ask. Oh, by the way, Jesus is listening hopefully for your answer.

**This is this month's OOPS  
(Outreach Opportunity Suggestion)  
from your Board of Christian Outreach.**

## Quarterly Voter's Meeting (New Business Minutes) St. Paul's Lutheran Church April 26, 2022

### New Business

**Lift Proposal:** The drawings are completed and the bid process is ongoing. Hopefully, we will have contractor bids in May and we can call a special Voter's meeting in June to get the project underway.

**DCE Intern:** Sam Wegner will be our DCE intern starting June 1st. Someone from the church council needs to sign the lease in addition to Sam Wegner. After some discussion, Kevin Koenigstein, congregational church president, will sign the apartment lease which will be for one year.

Kevin Koenigstein appointed Steve Ottwell to the Board of Trustees for the remainder of this year.

Kevin Koenigstein discussed a proposal by Amanda Douglas for a women's mental health group home as stated in the past newsletter. Kevin indicated that this project is too much for a congregation of our size, but this could be the start of a Synod level project in which our congregation could participate.

Pastor Krenz gave the closing prayer.

Patrick Grant motioned to adjourn the meeting, seconded by Gene Haberl. The motion passed. The meeting was adjourned at 8:15pm.

**The next Voter's Meeting is scheduled for July 26, 2022.**

Respectfully submitted  
Lillian Koenigstein, Acting Secretary

**WE ♥  
VBS**

**Thank You!** I wanted to send a huge THANK YOU to our VBS volunteers and supporters this year. Thanks to everyone who gave their time to run and prepare our sites, and to lead children to each station. We can't have our programming without their help! Thank you also to those who lent us decorations for the building to create our "garden" theme. I also need to thank those that helped us with their time, talents, and treasures with our pizza luncheon on Friday. Thank you also to our congregation for your prayers regarding this ministry of our church. This year, St. Paul's VBS reached 44 children from 24 families in our community and surrounding areas. Thanks be to God that we have this opportunity to serve and minister to our community! - Carleigh

**St. Paul's Lutheran Church Pre-School**

In Matthew 19:14 Jesus said, "Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven." One way that our congregation has sought to fulfill Jesus' command is through the blessing of having a Preschool.

The preschool has been a part of the ministry of the congregation for 30 years now! To mark this special occasion, on **Sunday, September 11** the church and the preschool will be formally **celebrating the Preschool's anniversary**. On that day after the **10:30AM worship** there will be **a meal, slideshow, and a recognition of current and previous staff and alumni**. We invite you to join us as we mark this amazing anniversary. Be on the lookout for more details in the coming weeks and months!

**P.S.** If you have any old pictures of the preschool, please send them to the Church Office so they can be included in our slideshow!

Calling all Middle and High School youth and their families! Join us for ice cream, games, and fellowship on Sunday, July 24th from 6:00 – 7:30pm in the Fellowship Hall. We'll also be discussing upcoming events and ideas for the youth program over the next school year! Parents and siblings are encouraged to attend.

**Youth Sunday will be on Sunday, July 24th.** Contact Sam Wegner at the church office (618-281-4600) or email [crf\\_wegnersm@cuchicago.edu](mailto:crf_wegnersm@cuchicago.edu) to help with the service.

### Question: Why go to church?

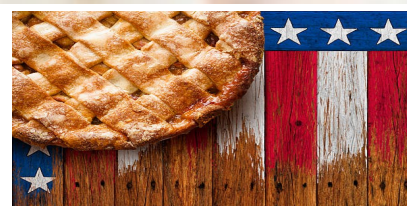

This common question can be addressed in several ways including "God says so". Bible passages like "Remember the sabbath day by keeping it holy", and "Let us not give up meeting together as some are in the habit of doing" (Hebrews 10:25) clearly reflect God's desire for us regarding public worship.

Then there is the "gift approach". Rarely has a child said "Mom, do we have to open our Christmas presents?" What God has in store for those who receive his gifts in the Divine Service goes beyond your typical blessings. These gifts include His Word, His meal, His forgiveness, His love, along with support from the body of Christ. In this world of conflict, he brings peace. In this world of retribution, he brings forgiveness. In this world that is dying, he brings life.

Maybe our question "Should I go to church" should be rephrased to "Do I have to receive the Lord's gifts?" The answer to that question will lead us in a good direction.
