Sunday Morning Adult Bible Class 10:15 am

"Christian Churches—How Are We Similar? How Are We Different?"

In this class, we will explore our shared beliefs and key distinctions in comparison with the following traditions: Roman Catholicism, Eastern Orthodoxy, Baptists, other Lutherans, Presbyterians, Assemblies of God (Pentecostal), Church of Christ, Methodism, and Anglican/Episcopalian churches. Today we will further our look at beliefs and practices of non-denominational churches. In addition we will give some helps on reading Galatians, our Summer daily Reading Program.

Children's Sunday School: 10:15 am

This week, we will study "The Last Call." Jesus describes His second coming, when the Father will separate believers and unbelievers. He tells how the faithful, by faith, fulfill God's will, and how the unfaithful will find themselves banished to eternal punishment. John records the words of the risen and glorified Christ in the last chapter of his revelation. There, Christ promises once again to return and gather all believers to Himself:

Summer Bible Reading Plan

- This summer we are suggesting that congregational members and friends immerse themselves in the Epistles of St. Paul through a 90-day reading plan. Here are a few suggestions as you read through this plan.

☆ Highlight- or underline key verses that strike you as memorable in the Bible.

☆ Engage- Discuss these readings in your household and/or send me emails/texts with any questions you might have on the readings. My intention is also to spend the first part of the Sunday Bible Class unpacking key themes from the past week's readings.

☆ Law and Gospel- Look for God's commands (law), and God's promises in these readings by using a different color to highlight each.

☆ Context- To help understand a particular passage look at it in view of the passages which surround it.

☆ Christ- The Bible is written to point us to Jesus. Especially note those passages which help us better understand our Savior's saving love. (John 20:31)
